

## **Cookies policy**

This Cookies policy applies to all users of this website. The information presented below is intended to inform the users of this website about the placement, use and administration of cookies by Global Records SRL in the context of user navigation on this website.

Cookies are used for the following purposes:

- operation of the site,
- analysis of the behaviour of visitors on the website,
- publicity.

### **What are cookies?**

A cookie is a small file consisting of letters and numbers that will be stored on a user's computer, mobile terminal or other equipment from which the Internet is accessed. The cookie is installed by the request issued by the user's terminal to a Global Records server or a third party server.

### **How are cookies used by this site?**

- they help adjust the content of the website pages to the user's preferences and optimize the use of the web pages,
- they recognize the user's device, its location and display the site correctly, adapted to the individual needs of the user.
- they ensure the correct configuration of the functions of the selected website, enabling, in particular, verification of the authenticity of the browser session,
- they optimize and increase the efficiency of the services provided
- they adjust the content of web pages to the user's preferences and optimize the use of web pages. In particular, these files allow the recognition of the basic parameters of the user's device and the correct display of the site, adapted to the user's individual needs;
- the correct service of the affiliate program, allowing in particular the verification of the forwarding/redirecting sources of users to the website.
- they create anonymous statistics that help understand how website users use pages on the website, which facilitates the improvement of their structure and content.
- they allow the presentation of multimedia content on the site, which is downloaded from an external website, e.g. YouTube,
- they allow the collection of general and anonymous static data by means of analytical tools, e.g. Google Analytics,
- they facilitate the connection to the website using a social website, e.g. Facebook.com,
- for interactive website popularization functions, using social networking sites such as Facebook.com, Pinterest.com,
- they allow the presentation of opinions about the site, which are downloaded from an external website

## **How can cookies be stopped?**

Disabling and refusing to receive cookies can make this website difficult to visit, generating limitations of its use possibilities and features.

Users can configure their browser to reject cookies or accept cookies from a particular website.

All browsers offer the possibility to change cookie settings. These settings can be accessed, as a rule, in the “Options” section or in the “Preferences” menu of your browser.

However, refusing or disabling cookies does not mean that you will no longer receive online advertising – only that it will not be tailored to your preferences and interests, highlighted by your browsing behaviour.

To understand these settings, visit the following links:
